**AUDITOR'S REPORT AND INTERIM FINANCIAL STATEMENT**

**FOR THE SIX-MONTH PERIOD ENDED JUNE 30, 2024**

## INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

TO THE SHAREHOLDERS OF EASTERN POWER GROUP PUBLIC COMPANY LIMITED

I have reviewed the accompanying consolidated and separate statements of financial position as at June 30, 2024, and the related consolidated and separate statements of comprehensive income for the three-month and six-month periods then ended, the related consolidated and separate statement of changes in shareholders' equity and the related consolidated and separate statements of cash flows for the six-month period then ended and condensed notes to the interim financial information of Eastern Power Group Public Company Limited and its subsidiaries and of Eastern Power Group Public Company Limited. Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34, "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my review.

### **Scope of review**

I conducted my reviews in accordance with Thai Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

### **Conclusion**

Based on my reviews, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34, "Interim Financial Reporting".

## INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION (Con't) -2-

### **Emphasis of Matter**

I draw attention to the Condensed Note 2 to the interim financial information. The delay of the win energy projects and the compliance of the conditions to draw down the loan of the subsidiaries in Vietnam including the Group's current liabilities significantly exceeded its current assets and incurred operating loss. These situations are significantly impacting the Group's financial position, operating results and cash flows including compliance with debt covenant under loan agreement with financial institutions. The Group's management has continuously monitored ongoing developments and assessed the current and future financial impact which the success of the abovementioned operation is uncertain.

My conclusion is not modified in respect of this matter.
